Immune Essentials & Minerals.

The daily anchors of resilience — high-potency vitamin C across three beloved formats, targeted precision zinc, and our signature triple-action Immune Complex for the days that demand more.

Vitamin C Series

PRODUCT NAME	DOSAGE FORM	PRIMARY FUNCTIONS
Vitamin C 1000 mg Tablets	Tablet	Provides continuous immune vitality to sustain peak body functions. Stay energized by clearing metabolic waste and reducing fatigue caused by high-intensity work.
Vitamin C Softgels	Softgel	
Vitamin C Gummies	Gummy	

The Ultimate Shield

• BESTSELLER

FEATURE PRODUCT

Immune Complex Gummies

Vitamin C · Zinc · Elderberry

VIT C

ZINC

ELDER.

Comprehensive immune support.
Synergistic triple-action defense in one daily gummy.

 *Travel & high-exposure defense for the days that demand more.*

Gummy

Zinc Series

The Mineral Shield

- ✓ Immune Frontline
- ✓ Healing Power
- ✓ Seasonal Defense
- ✓ Cellular Repair

FORM

PRIMARY FUNCTIONS

Hard Capsule

Tablet

Targeted mineral supplementation to fortify the body's natural defenses. Accelerates wound healing and supports the rebuilding of vital body functions.

Plant Defense & Gut Health.

Advanced Botanical & Marine Complex

Focused care for cardiovascular health and immune modulation. 

PRODUCT NAME	DOSAGE FORM	PRIMARY FUNCTIONS
Garlic Oil Softgels	Softgel	Purifies the vascular system and supports daily cardiovascular circulation.
Garlic Extract Capsules	Hard Capsule	High-potency natural defense for immune support and long-term cardiovascular protection.
Marine Algae Complex Softgels	Softgel	Pure plant-based Omega-3 for systemic anti-inflammatory defense, cardiac function, and vascular health.
Quercetin Complex Softgels	Softgel	Relieves allergic sensitivities and protects respiratory health against environmental stressors.

Empowering your health through potent botanicals, marine actives, and live cultures to strengthen cardiovascular resilience and harmonize the gut-immune axis for total systemic defense.

Probiotic Series

The Gut-Immune Connection.

70%

of the immune system resides in the gut. Live cultures support the microbiome balance that governs whole-body defense.

PRODUCT	FORM	FUNCTIONS
Probiotic	Gummy Capsule	Gut Health · Immune Support · Fresh Breath

Essential Minerals & Bone Density.

The daily foundation for skeletal strength — high-absorption calcium, synergistic vitamin D3 & K2, and complete multi-mineral support for lifelong bone density and structural integrity.

Calcium & Vitamin D Series

PRODUCT NAME	DOSAGE FORM	PRIMARY FUNCTIONS
Calcium + Vitamin D3 Tablets	Tablet	Bone Health Support
Vitamin D3 1000/5000 IU Softgels	Softgel	Immune & Bone Health
